

Musical Theatre Workshop

JUNE 14th-18th, 2010

A baker! A sailor! A cowboy! A movie star! Life offers so many choices for kids today; they are free to be whatever they choose to be! WHEN I GROW UP explores these choices in today's lingo for today's kids.

From a driving rock opener to a burly sailor chantey, a soft-shoe baker song to an ambling cowboy tune, this 30-minute all-school revue lets kids explore a variety of occupations and careers through music.

Let your kids project themselves into the future, build self-esteem and have fun as they shout to the world,
"I wanna be me WHEN I GROW UP!"

Rodgers and Hammerstein's **Cinderella**

July 16th -24th, 2010

The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm and elegance. Originally presented on television in 1957 starring Julie Andrews, Rodgers & Hammerstein's CINDERELLA was the most widely viewed program in the history of the medium. Its recreation in 1965 starring Lesley Ann Warren was no less successful in transporting a new generation to the miraculous kingdom of dreams-come-true, and so was a second remake in 1997, which starred Brandy as Cinderella and Whitney Houston as her Fairy Godmother. As adapted for the stage, with great warmth and more than a touch of hilarity, the hearts of children and adults alike still soar when the slipper fits.

Into the Woods, Jr

November 11th-20th, 2010

Sondheim and Lapine present a cock-eyed view of everyone's favorite fairytale characters in this hysterical take on the Brothers Grimm.

When a Baker and his Wife learn they've been cursed with childlessness by the Witch next door, they embark on a quest for the special objects required to break the spell, swindling, deceiving and stealing from Cinderella, Little Red Ridding Hood, Rapunzel and Jack (the one who climbed the beanstalk!)

Into The Woods Junior is a funny and engaging way to get young people to think about the stories with which they've grown up, and the ethical issues raised therein.
