PLEASE READ:

It is expected that this production will be a priority commitment. Each assistant is required to attend all of his/her scheduled rehearsals. All rehearsal conflicts must be submitted to the CCT staff at auditions using this Audition Form. Once we move into the Cookeville Performing Arts Center (formerly the Drama Center) on **June 21st, 2010** (*Cinderella*) or **October 23rd, 2010** (*Into the Woods*) attendance for assistant is required, No exceptions other than contagious illness, family emergency, or those with prior authorization from the artistic director will be permitted.

If continued conflicts persist into the rehearsal process, assistant will be removed from a production. Also please note that even if conflicts are reported in advance, missing rehearsal may prevent an assistant from being used into scene shifts, etc.

A rehearsal calendar is posted at the rehearsal hall and on the web. Please submit any conflicts by writing down dates that you will not be able to attend rehearsal or on dates that you will be late or must leave early, and **include an explanation of why you will be unable to attend and/or what time you will be present.** Though each assistant will not be called for every listed rehearsal, we must have all your conflicts submitted at this time in order to fill the production crew properly. If you have no conflicts, please write "NO CONFLICTS" at the top of this audition form.

I have read and I understand the above conflict policy and our family will honor it if I am selected the production.
